### Applying for an Extension of the Data Use Period

- There are two ways to applying for extending the data use period.
  - Selecting “I will apply for an extension of the data use period” on the Usage Report Page.
  - Applying for an extension from “Usage Application.”
- When you apply for an extension on the Usage Report Page, select “I will apply for an extension of the data use period” and click on “Apply.”
  - After clicking on “Apply,” the status of the older application will be “Complete” and Usage Application page will appear. The contents of the older application is input into Requested Data, Purpose of Use and Research Plan. The column “Applying for an extension of the data use period” will be marked as “Yes” and the previous application number will be entered.
  - When you complete the application procedure, a new application is registered as an extension of the previous one.
