Japanese Life Course Panel Survey

Instructions:

- Please use a blue or black ballpoint pen.
 - Please answer the questions in order. Please note that not all questions apply to all respondents; if a question does not apply to you, please follow the arrow sign (→) and read the given instructions.
 - In answering, please circle the appropriate number, or enter the number in the response column. In places where the response is “something other,” please give a specific response in the parentheses.
 - When the question asks “Circle one,” please don't circle more than one number; when it asks “circle all that apply,” please circle all the numbers that match with your responses.
 - Our survey maintains complete confidentiality of all participants of the questionnaire. All responses will be handled through statistical analysis, and thus individual names are omitted and no response will be connected with any individual participant.
 - Once you have completed the survey, please look your responses over once again to make certain that you have not missed any questions.
 - Our survey staff will visit you later to collect the completed questionnaire.
- Thank you very much for your cooperation.
